ESCAPE ROOMS
CHELTENHAM

Why choose us?

As an independent small business, operating in Cheltenham for nearly 10 years, we know how to add that personal touch to make your occasion special.

We know it can be difficult to arrange a work Christmas party – numbers changing last minute, people arriving early or late, but we're here to make it easy for you. Just choose your package and date and we'll sort the rest.

Our party package prices not only cover the extra bit of Christmas magic we'll be adding, but allow us that little bit of extra wiggle room larger groups can often need.
